At Metropolitan Hall last night a goodly number of the elite and music loving people of the city were present at the second Ralph Fisher Concert.

Those participating reflected nothing but credit on themselves. Special mention is due Miss Heritage for her charming way she recited several very difficult pieces, Miss Ward for her clever performance on the violin and Mrs. E. W. Bryant and Mr. Darnall for the perfect rendition of the vocal duet "echoes." Mrs. Claude Smith scored the hit of the evening by her singing of "Bird, why singest thou."

The Dance Last Night.

One of the most enjoyable social events of the year was the dance last night, given complimentary to the young lady guests of the Harrison House.

The occasion was a most delightful one and will long be remembered by those who were fortunate enough to be present.

NEWS FROM NEWTON.

Judge Timberlake's Able Charge—The Secret Double Murder Case.

Newton, N. C., Feb. 27.—Court has been in session here for the past week, his Honor, Judge E. W. Timberlake, presiding. The Judge's charge, which was quite lengthy, was listened to most attentively and was highly complimented by all parties. He dwelt to a considerable extent on election frauds—something that has not been done here for many years. His rulings in points of law and management of the court have been firm, and displayed the knowledge of one of many years experience on the bench.

The docket has been a heavy one and court will possibly continue throughout the week.

Solicitor J. F. Spainhour, although it being his first term, has shown ability and talent in handling the prosecution for the State. In the case of Tom Covington for the murder of Brown, Mr. Spainhour made a most able and impressive argument.

The Judge's next appointment will be McDowell court at Marion next week, at which time the noted double murder trial of Hoke C. Seerest will take place.

Democrats Making a Free Silver Movement—Without the Investigation of Banks—Great Scott!

WASHINGTON, Feb. 26.—Routine matters on the floor of the House were overwhelmed in interest to-day by the initiation of a brisk movement to secure a majority of the Democratic membership in favor of a financial platform, having the free coinage of silver in its keynote. For some time there has been a discussion carried on by the free silver leaders of the party over the plan to unite their forces, and to crystallize their ideas into some sort of a platform or declaration. The net result has been the draft of a declaration addressed to the Democrats of the United States, and outlining a financial policy for the Democratic party. This paper has been circulated on the Democratic side of the House, and is being vigorously discussed with the object of obtaining the consensus of opinion of silver Democrats upon its expressions.

The chief instigators of the movement are: Messrs. Bland, of Missouri; Bryan, of Nebraska; Sibley, of Pennsylvania; and Coffey, of Wyoming. Their paper is at present but a tentative expression, they say, and not yet in form for publication, since none of its details has been definitely agreed upon. In substance, it states the financial policy of the party to be for the free coinage of gold and silver on terms of equality, the ratio of 15 to 1; for the issue of all paper money by the government without the intervention of banks, and opposition to any issue of interest-bearing bonds without the authority of a special act of Congress.

But few Eastern members have been approached, and the Populists are entirely ignored, with the expectation that they will come into the Democratic party if it declares for free silver.

Conservatives Endorse Tillman.

COLUMBIA, S. C., Feb. 26.—Early this morning a committee of conservative or minority Democrats, who had been in session all night, issued an address endorsing Tillman's proposition for an equal dividend between the two Democratic factions of representation in the constitutional convention.

OUTRAGE FOLLOWS OUTRAGE.

The Malicious and Willful Falsehoods of Democratic Journals Lead to the Verge of Crime and Blasphemy.

ATLANTA, Ga., Feb. 26.—A sensation has been created here by a negro meeting held last night at Big Bethel, the largest colored church in the city, which was advertised as a memorial meeting for the late Fred Douglass, and which was turned into an indignation meeting against the whites.

As speaker followed speaker, the addresses became more and more inflammatory until the affair broke out in spots with "Jim Crow" cars, "social equality" and "calls for revenge," as the texts for fiery outbreaks.

Proctor, the pastor of the colored congregational church, was received with applause when he announced that he agreed with Douglass when he told the Southern people to beware, or they would "churn" under their homes and poison in their coffee.

R. M. Checks, pastor of Big Bethel church, was cheered when he told of how the North Carolina legislature had put Douglass first, Washington second and Lee third.

Carter, the pastor of the Friendship Baptist church declared that he would marry a white woman if he could, and said the negroes who envied Fred Douglass because he had succeeded where they had failed. He made the hit of the evening, Norris, a grandson-in-law of Fred Douglass, devoted most of his eulogy on Douglass to the burning question of "Jim Crow" cars, advised the negroes to carry their fight to the Supreme court and finally brought down the house by declaring that Fred Douglass ranked next to Jesus Christ.

If the statements in the above dispatch are true, the negroes of Georgia, some of them at least, are much larger fools than we have taken them to be. Such utterances, though above are original in the extreme and deserve to be sternly frowned down by all good people of both races.

So far as the statements about the North Carolina legislature go, the CAUCASIAN has shown them to be utterly false, and the lower house of our legislature has placed the brand of falsehood upon both the statements and the authors of them.

These alleged utterances of Georgia Negroes are only a little less criminal than the persons who invented and carried them about, lies about our legislature.—EDITOR CAUCASIAN.

Thanks.

A nice sum was realized from the children's dance Friday night, and turned over to the poor unfortunate for whom the entertainment was given. Many thanks to those who so kindly responded to the call.
